Lovers & Other Strangers by Renee Taylor & Joseph Bologna

A hit on Broadway and later on film, this edition a planned seduction gone wrong, a couple married so long that they can't remember who starts what, on the eve their wedding, he's getting cold feet and she must gently talk him down the aisle, and a long-married couple who have fought for over thirty years try to save their son's marriage by confessing to their own failures.

I Love You, You're Perfect, Now Change book and lyrics by Joe DiPietro and music by Jimmy Roberts

This celebration of the mating game takes on the truths and myths behind that contemporary conundrum know as "the relationship." This hilarious revue pays tribute to those who have loved and lost, to those who have fallen on their face at the portal of romance, to those who have dared to ask, "Say, what are you doing Saturday night?"

Let's Murder Marsha by Monk Ferris

A happy housewife named Marsha, hopelessly addicted to reading murder mysteries, overhears what to her ears sounds like her loving husband planning to murder her! Just when you think all is cleared up, Marsha's intended victims discover what she has supposed, and decide to teach her a lesson by actually pretending to be murderers.
